DGfZ-/GfT-Congress 2019

Dear members and speakers!

The Society for Animal Sciences (GfT) and the German Society for Animal Production (DGfZ) invite for the congress 2019. The events will take place on Wednesday and Thursday, 11th / 12th September 2019 in Gießen organized from the Justus-Liebig-Universität, Institut für Tierzucht und Haustiergenetik. The congress presents a number of oral presentations, interesting for industry and scientists.

As a speaker note the following deadlines for the DGfZ / GfT congress:

- Application of the lecture title and authors: **24th June 2019**
  Please upload the lecture title and authors with your registration on the registration form as a **doc-document** (or docx.)- use as filename your last and first name (title_Public_John.doc)
- Confirmation of acceptance of the lecture: **5th July 2019**
- Post the abstracts (4 pages only PDF!): **5th August 2019**
- Post the presentation: **2nd September 2019**

For more information please visit our website:

Please note the following important information for registration, application and the upload of your documents:

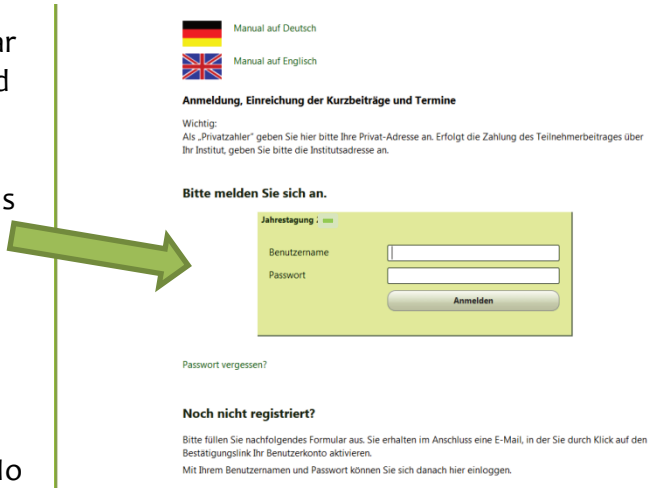
Participants who wish to attend the DGfZ/GfT congress are advised to register for the meeting.

The online registration is now open!

Case 1: You are already registered in 2018, 2017, 2016, 2015, 2014, 2013 or 2012

Each participant who had registered online last year for the conference can use his or her username and password this year again.

Please use the green box to log in. Now your details appear. Please update your data if necessary. Important is your current email address for our confirmation emails.

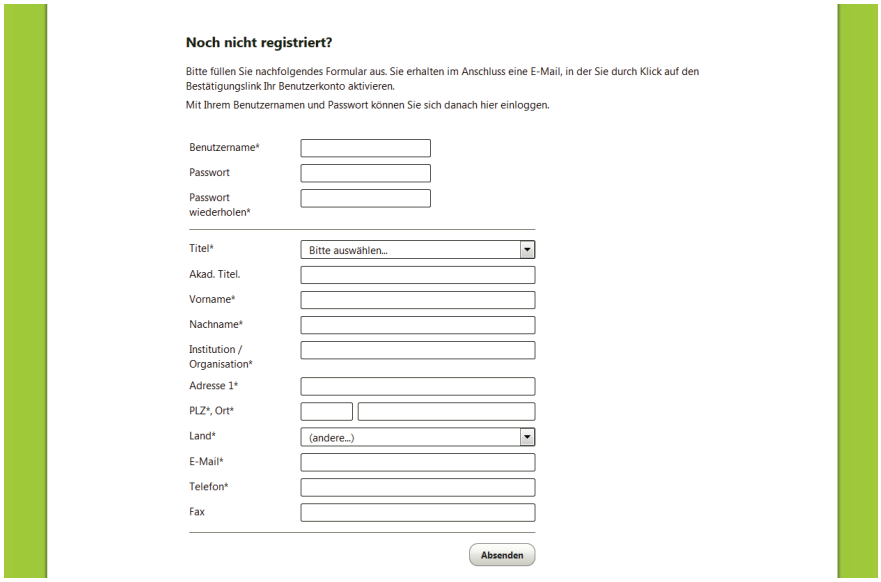


You have forgotten your username or password? No problem. Register once again (see case 2)

Case 2: Registration

New participants and speakers are advised to register (NOT the green box, it can be used only by registered users). Please use a username and password you like. Enter your personal data, phone number and e-mail address in the appropriate boxes and submit the form.

Each participant must have his or her own username end password.



For registration we use the so-called "double opt-in" – method. Your registration needs to be confirmed in a second step - this is for your own safety! This involves sending an e-mail message asking you to confirm your registration. Your registration will not be effective, if it isn't confirmed!

Return to www.dgfz-bonn.de/jahrestagung_2019.html and use the green box to log in with your **access data**.

The binding application for the conference 2019

After log in (now the green box!) complete the form.
